Dear Mr. Lawler:

Thank you for interest in the Laboratory Supervisor 1 position in the Drug Evidence Area. It was enjoyable to have the opportunity to discuss your aspirations and professional goals with you. I truly appreciate your dedication and insight as a chemist in the laboratory.

I am writing to inform you that you were not selected for this position. I do hope that you will continue to seek leadership opportunities within the Drug Laboratory as you are a valuable member of the analytical team.

Sincerely,

Julianne Nassif  
Director  
Division of Analytical Chemistry
